**ADAM JARCHOW ANNOUNCES ENDORSEMENT  
OF WISCONSIN FARM BUREAU'S PAC**

Today, Adam Jarchow (R-Balsam Lake) is proud to announce that he has received the endorsement of the Wisconsin Farm Bureau Federation's political action arm, Volunteers for Agriculture-PAC.

In order to gain the Farm Bureau PAC's endorsement, both candidates for the 28<sup>th</sup> Assembly District interviewed with a panel of local farmers where the discussion centered on rural issues important to farmers and their families.

"I am humbled and honored to receive the endorsement of the Farm Bureau PAC", said Jarchow. "Having had the opportunity to work on farms while I was growing up outside of Clear Lake and now working with area farmers, I can say without hesitation that farms and farmers in Western Wisconsin are the foundation of our economy and our rural way of life. The Farm Bureau is a great organization, which represents the best traditions of advocacy for its members. The Farm Bureau and I share the belief that protecting Western Wisconsin's agriculture and farming tradition is a key component in growing our economy and creating good jobs. In Madison, my priority will be to make sure that we continue moving Northwestern Wisconsin forward. Farm families and non-farm families alike understand that the rising tide of a strong economy and a good middle-class job ultimately lifts all boats."
